

Descargar libros gratis Jardín - Pablo Simonetti QBook

Una conmovedora novela sobre las relaciones al interior de una familia, los roles que se asignan, los símbolos de poder, y los quiebres que parecieran ser inevitables.

Ante una oferta millonaria por su casa, Luisa Barbaglia, una viuda de setenta y seis años, se enfrenta a una decisión que traerá consecuencias insospechadas. Cada uno de sus tres hijos tiene una perspectiva muy distinta de lo que significa para ella dejar el hogar que compartió durante más de cuarenta años junto a su esposo, los recuerdos que la acompañan, y por sobre todo, su jardín, principal motivo de orgullo y dedicación de su vida.
