First comes love. Then comes marriage. Then comes baby in a baby carriage. Just not necessarily in that order. . . .

Braxton: I should probably be dead or in jail right now. Instead, thanks to some tough love, I worked my ass off and now I own a string of tattoo parlors throughout the Pacific Northwest. And yet the one thing I've always wanted—a family—still seems out of reach. When my best friend gets married, I'm just hoping to blow off some steam with the super-hot maid of honor. But after Cara Thompson tracks me down to tell me she's pregnant, she's more surprised than I am when I tell her I'm all in.

Cara: For the first time in my life, I'm living for myself—not for my parents and their ridiculous expectations. I gave up on my MBA, dropped out of the Ivy League, and moved to Portland to pursue my dream of becoming an artist. And what's the first thing I do? Get knocked up. For a tatted-up sex god, Braxton Henley seems way too eager to “be there for

me.” Is this guy serious? Maybe. He sure is patient. Because he won't back down until I admit what I know in my heart: that our *one night stand* might've led me to *the one*.
