Dr. Kimberly Donovan's life is in shambles. After her medical ethics are questioned, first her family, then her closeted lover, the Chief of the ER, betray her. Determined to make a fresh start, she flees to California and L.A. Metropolitan Hospital. Dr. Jess McKenna, L.A. Metro's Chief of the ER, gives new meaning to the phrase emotionally guarded, but she has her reasons.

When Kim and Jess meet, the attraction is immediate. Emotions Jess has tried to repress for years surface. But her interest in Kim also stirs dark memories. They settle for friendship, determined not to repeat past mistakes, but secretly they both wish things could be different.

Will the demons from Jess's past destroy their future before it can even get started? Or will L.A. Metro be a place to not only heal the sick, but to mend wounded hearts?

(2nd edition)
