La borra del café

Novela inolvidable, donde el humor y el amor a los seres humanos se convierte en reflejo de nosotros mismos. La borra del café consta de cuarenta y ocho fragmentos y un enigma desarrollado en la imagen misteriosa de una mujer, la presencia de una higuera y la reiteración a lo largo de los años de una hora, las tres y diez. Benedetti rescata, en un espacio de ensueño, las anécdotas que acompañaron a Claudio, el protagonista, durante su niñez en Montevideo.

Los juegos infantiles, la ceguera de su amigo Mateo, la inesperada muerte de su madre, el traslado a otro barrio, la nueva boda de su padre, su propio descubrimiento del amor y del sexo.

Las diferentes ceremonias de las despedidas son retratadas aquí, con maestría inigualable, por el escritor uruguayo.
