El mundo actual se divide entre mortales y vampiros. La sociedad parece haberse adaptado a la coexistencia de las dos especies, pero las desconfianzas persisten.

Una noche, un coche que viaja a gran velocidad atropella a Héloïse, una joven de veintidós años. Un hombre sale del vehículo a toda prisa, recoge su cuerpo y se lo lleva. Ese hombre es Gabriel, un hermoso y misterioso vampiro. Héloïse tendrá que quedarse en su casa hasta la próxima luna nueva, veintisiete días más tarde.

Una relación sensual y fascinante, narrada con talento por Sienna Lloyd en un libro perturbador e inquietante.

Este e-book incluye los volúmenes 1 y 2 de la serie publicada originalmente bajo el título *¡Muérdeme!*
