Spanish language edition of the classic textbook used in "Science of Mind" classes through out the world.

Earnest Holmes' practical mysticism offers a greater understanding of metaphysical laws and provides spiritual insight, tools, practices, and strategies to enrich any life in profound and surprising ways, and ore than seven decades after its original publication, it continues to transform lives. Distilled from the great philosophies and religions of the world, Dr. Holmes' teaching stands the test of time. It presents a perspective of God that is as refreshing and contemporary today as it was when Holmes wrote this magnificent work.

Dr. Ernest Holmes (1887-1960) is known to millions as a great leader and teacher; and to even more as the author of many inspirational books and tapes, such as *Creative Mind*, *This Thing Called Life*, and *The Science of Mind*. A teacher, writer, and lecturer; Dr. Holmes founded the "Science of Mind philosophy" in 1927, and regularly appeared on television and

radio. His signature saying, "There is a power greater than you in the universe, and you can use it," became well known over the years. By taking a clear and simple approach in researching the wisdom of the ages from many disciplines, Ernest Holmes developed a practical, spiritual approach to living an abundant life and created the Science of Mind. Since early 1900's, the *Science of Mind Textbook* has been the cornerstone to Religious Science churches around the world.
