

Descargar libros gratis La guerra civil española - Hugh Thomas QBook

Considerada una obra maestra que arroja luz sobre una de las guerras más confusas del siglo XX.

De una forma brillante y con detalles conmovedores, Hugh Thomas analiza este devastador conflicto en el que las esperanzas, los sueños y las creencias de este siglo estallaron en el campo de batalla. La Guerra Civil refleja, como si de un microcosmos se tratara, las tensiones que llevaron a Europa a la Guerra Mundial: de la puesta en juego de las maquinaciones de Franco y Hitler, a la tragedia de Guernica y la caída de aquellos que creían en la democracia.

Crítica:

«Un narrador supremo, dotado de una capacidad sobresaliente para la descripción.»

John Elliott
