

Descargar libros gratis La naranja mecánica - Anthony Burgess QBook

La naranja mecánica cuenta la historia del nadsat-adolescente Alex y sus tres drugos-amigos en un mundo de crueldad y destrucción. Alex tiene los principales atributos humanos: amor a la agresión, amor al lenguaje, amor a la belleza. Pero es joven y no ha entendido aún la verdadera importancia de la libertad, la que disfruta de un modo violento. En cierto sentido vive en el edén, y sólo cuando cae (como en verdad le ocurre, desde una ventana) parece capaz de llegar a transformarse en un verdadero ser humano.
