

Descargar libros gratis Lectura rápida - Roberto Garcia Carbonell QBook

La importancia de la lectura no precisa ser destacada. Su volumen creciente para el ejercicio de las artes y las profesiones la convierten en una tarea obligada e indispensable. A todo ello hay que sumar el caudal de novedades que vuelve a ser preciso conocer y manejar por imperiosa exigencia de la formación permanente.

Estudiantes y pedagogos, dirigentes y directivos, profesionales y funcionarios y TODOS los que necesitan estar medianamente "al día", saben que no les alcanza el tiempo para leer y que la relativa lentitud con que lo hacen, torna tedioso y mal aprovechado el que disponen.

Este Método, eminentemente práctico, contiene las guías, la técnicas y los ejercicios necesarios para dominar las habilidades que permitan leer mejor y más deprisa.
