

Descargar libros gratis Lego how to build - Francesco Bontempi & Walter Cicerone QBook

Abbiamo deciso di creare questo libro, spinti dalla forte passione ed amore che abbiamo per i mattoncini più famosi al Mondo "LEGO®".

LEGO® non è semplicemente un gioco , è uno stile di vita, la creatività , l'emozione , le sensazioni che possono farci vivere questi mattoncini sono uniche e rimangono inalterate nel tempo , sono attuali ma allo stesso tempo possono portarci sia indietro nel tempo ma anche nel futuro attraverso la nostra immaginazione.

Vorremmo cercare con questo ebook - libro , di semplificare ed aiutare chiunque ne abbia voglia nella realizzazione di Mocs, attraverso delle guide fotografiche semplificate , numerate ,che permettono a chiunque dai 5 anni in poi di poter costruire con semplicità .
