For more than twenty years, couples have been turning to the bestselling book His Needs, Her Needs for insights on how to make their marriages work--and keep them working. Now, with a new Spanish edition, His Needs, Her Needs is poised to expand its considerable influence to Spanish-speaking couples around the world.

Marriage works only when each spouse takes the time to consider the other's needs and strives to meet them. In Lo que él necesita, lo que ella necesita, Willard Harley identifies the ten most vital needs of men and women and shows husbands and wives how to satisfy those needs in their spouses. He provides guidance for becoming irresistible to your spouse and for loving more creatively and sensitively, thereby eliminating the problems that often lead to extramarital affairs.
