

Descargar libros gratis Lolita - Vladimir Nabokov DBSBOOK

La historia de la obsesión de Humbert Humbert, un profesor cuarentón, por la doceñera Lolita es una extraordinaria novela de amor en la que intervienen dos componentes explosivos: la atracción «perversa» por las nínfulas y el incesto. Un itinerario a través de la locura y la muerte, que desemboca en una estilizadísima violencia, narrado, a la vez con autoironía y lirismo desenfrenado, por el propio Humbert Humbert. "Lolita" es también un retrato ácido y visionario de los Estados Unidos, de los horrores suburbanos y de la cultura del plástico y del motel. En resumen, una exhibición deslumbrante de talento y humor a cargo de un escritor que confesó que le hubiera encantado filmar los picnics de Lewis Carrol.
