

# Descargar libros gratis Lunes o martes - Virginia Woolf QBook

Lunes o Martes es el único libro de cuentos que Virginia Woolf publicó en vida y es un buen puerto de entrada a su obra. En estos cuentos y bosquejos existe una narrativa que experimenta con formas clásicas, a la vez que es un recordatorio de que un cuento no solo «cuenta una historia», sino que es un extracto de la realidad. Y que esa realidad oscila entre un mundo interior y el mundo exterior, y, por lo tanto, no está hecha solo de palabras, de tramas, y de personajes principales y secundarios; sino también de una serie de momentos tan reales como oníricos, e incluso temporalmente más extensos de lo que un lunes o martes cualquiera pueden ofrecernos.
