

Descargar libros gratis Mirar - John Berger QBook

La mirada incisiva de **John Berger** inaugura nuevos modos de ver donde la mirada hacia el arte y hacia la vida se confunden combinando un exhaustivo análisis que tiende a ser 'objetivo', entre materialista y purovisualista. El ojo de la cámara y el ojo del artista nos hablan del significado oculto en la mirada cotidiana con la que contemplamos paisajes, animales o personas queridas. En los lienzos de Millet, Courbet, Turner, Magritte y Bacon, Berger evoca experiencias que confunden el propio misterio que rodea al arte con nuestras propias vidas, paseando entre categorías literarias, del relato al ensayo, sin casi reparar en ello.
