It is amazing how one trip to the wrong Dentist, can change your whole life for the worse, forever. This book began with my worse nightmare. (1) Had A wisdom tooth surgically removed (2) Mouth lock down immediately after removal, (3) What did I look like when I came out, a Monster. I went from state to state trying to get help and there was none for three years. By this being back in the 80s not many doctors/dentists knew much about TMJ or what to instruct you to do. They thought you were out of your mind and called it the greatest imposter.?? I stayed six weeks in house at Ochsner Foundation physiatrist unit, learning to live with pain.
