

Descargar libros gratis No te ama - Camila Gutierrez QBook

Camila Gutiérrez, tal como en su libro anterior Joven y alocada, retoma la ficción biográfica y nos invita a conocer las relaciones amorosas que fueron más decisivas en su vida. Siete son esas historias que la protagonista saca a la luz y siete también son los consejos que nos da para burlar la decepción, la desesperanza de un amor no correspondido.

No te ama es un libro personalísimo y espléndido.
