

# Descargar libros gratis Nueva York 2140 - Kim Stanley Robinson QBook

Año 2140. El agua ha sumergido la ciudad de Nueva York. Los habitantes se han adaptado a la nueva situación y la ciudad sigue tan bulliciosa y llena de vida como siempre. Aunque trastocada para siempre. Cada calle se ha convertido en un canal, cada rascacielos en una isla. A través de los ojos de los habitantes de diferentes edificios, Kim Stanley Robinson nos muestra cómo una de las ciudades más importantes del mundo irá cambiando con la subida de las mareas. Y también, cómo todos vamos a cambiar con ello.

*Nueva York 2140* es una novela extraordinaria e inolvidable de la mano de un autor con una capacidad única de explicar su futuro.
