

# Descargar libros gratis Objetos frágiles - Neil Gaiman DBSBOOK

Neil Gaiman nos transporta a su universo a ratos terrorífico, a ratos tremendamente bello, y nos regala un nuevo punto de vista sobre el mundo, uno que sólo puede salir de la pluma de un creador único y original como él.

Estos relatos -varios de ellos merecedores de premio Hugo y Locus- conforman este extraordinario libro que nos sumerge en el universo particular de Neil Gaiman: tierno, gótico, infantil, fantástico, cargado de un oscuro sentido del humor y, sobre todo, de una imaginación fuera de lo común y un talento que lo convierten en un escritor excepcional.
