

Descargar libros gratis Ojos azules - Toni Morrison QBook

Toni Morrison, ganadora del Premio Nobel de Literatura 1993, parte de la realidad de una chiquilla desgraciada para tratar temas como el concepto de belleza impuesto, la voz femenina o la infancia truncada, y lo consigue con una historia dura y deliciosa al mismo tiempo.

Pecola es una niña pequeña que vive con sus padres y tiene una prima que se llama Claudia. Le gustan las muñecas y las caléndulas, que no le gustan a nadie excepto a ella. Pecola es negra y cree que es fea porque no se parece a Shirley Temple. Y tiene un truco para desaparecer cuando sus padres se pelean o su padre la molesta por las noches: piensa que tiene unos preciosos ojos azules, que todo el mundo admira su belleza y que las otras niñas la envidian. Pero ese sueño nunca se convertirá en realidad y Pecola seguirá atrapada en la triste vida que le ha tocado en suerte.

Reseña:

«Toni Morrison se ha convertido en la D. H. Lawrence de la psique negra, transformando individuos en fuerzas, idiosincrasias en inevitabilidad.»
New York Magazine
