From First Steps to Potty Training. There is no greater fulfillment a parent can receive than the upturned face of a toddler, eyes speaking wonders and a face of confidence in discovering a brand new world with Mom and Dad. In just over a year, the helpless infant emerges as a little moving, talking, walking, exploratory person marked by keen senses, clear memory, quick perceptions and unlimited energy. He emerges into a period of life know affectionately as the Toddler Years. How ready are you for this new experience?

The toddler years are the learning fields and you need a trustworthy guide to take you through the unfolding maze of your child's developing world. On Becoming Toddlerwise is a tool chest of workable strategies and ideas that multiplies your child's learning opportunities in a loving and nurturing way.

This resource is as practical as it is informative.

With over two million homes to their credit, trusted parenting authors Gary Ezzo and Robert Bucknam bring their collective wisdom, experience, and insights to bear on this critical phase of growth and development. From first steps to potty training made easy and everything in between, it is all here for you.
