*A gorgeous former Marine with a tortured soul.  
The beautiful, compassionate therapist living next door.  
A meddling grandma determined to get them together.*

From USA Today Bestselling Author Melanie Harlow comes an all new standalone romance that will make you believe in the redemptive power of love.

\*\*\*

I was expecting a proposal on my birthday, and I got dumped instead.

How could I have been so clueless?

Grams knew exactly how to distract me.

The “cute boy next door” who’s been helping her with yard work clearly needs a little therapy. Who better to call than her newly single therapist granddaughter?

She even fakes dementia to get me to visit, and now that I’m here she’s doing everything in her power to throw us together.

Not that I’m complaining. Ryan is the sexiest man I’ve ever met--I mean the full package, from the chiseled jaw to the massive shoulders to the rippling abs. (And yes, his package is full, and he knows exactly how to deliver it.) He makes me want to get out of my head and follow my heart. He makes me want to take chances I never thought I’d take.

He also makes me want to take my clothes off. A lot.

But he’s moody and challenging--one minute he’s an open book, and the next he’s completely closed off. He holds me like he’ll never let go, but insists he wants to be alone.

Some wounds are so deep, only love can heal them.

How can I convince him to let me try?
