Josefa Wallace

El esperado libro de la bloguera chilena del momento, Pepi la Fea.

"Pepi cree que sus lentes gigantescos, su exuberante cabello, su sonrisa con frenillos y su abultada cintura no le favorecen. Y por ese motivo prefiere el mundo anónimo del internet que el peligroso y expuesto mundo real. Sin embargo, de un momento a otro su tranquila vida sufre un vuelco: mientras navegaba por el chat, conoce a un español del cual se enamora completamente. Y, para su sorpresa, a él le ocurre lo mismo.

Pero hay un problema, quiere viajar a Chile a conocerla.

La creadora del fenómeno de las redes sociales, Pepi la Fea, nos entrega una novela romántica, llena de humor y malos entendidos, donde los misterios del amor se entrecruzan con una aventura que no tiene límites."
