El peso de la gloria, de C.S. Lewis, el escritor cristiano más importante del siglo XX. Seleccionado de sermones predicados por C.S. Lewis durante la Segunda Guerra Mundial.

Estos nueve sermones muestran al querido autor y teólogo trayendo esperanza y coraje en tiempos de gran duda y ofrecen orientación, inspiración y una tolerancia compasiva para la fe cristiana durante un momento de gran duda. El peso de la gloria, considerado por muchos como el mejor de todos los sermones de Lewis, es una explicación incomparable de virtud, bondad, deseo, y gloria. También están incluidos Transposición, En el perdón, Por qué no soy un pacifista y El aprendizaje en tiempo de guerra, en el que Lewis presenta su visión compasiva del cristianismo en un lenguaje que es a la vez lúcido y convincente.

The classic *Weight of Glory* by C.S. Lewis, the most important Christian writer of the 20th century, contains nine sermons delivered by Lewis during World War Two. The nine

addresses in *Weight of Glory* offer guidance, inspiration, and a passionate apologetic for the Christian faith during a time of great doubt.

Selected from sermons delivered by C. S. Lewis during World War II, these nine sermons show the beloved author and theologian bringing hope and courage in a time of great doubt. "The Weight of Glory," considered by many to be Lewis's finest sermon of all, is an incomparable explication of virtue, goodness, desire, and glory. Also included are "Transposition," "On Forgiveness," "Why I Am Not a Pacifist," and "Learning in War-Time," in which Lewis presents his compassionate vision of Christianity in language that is both lucid and compelling.

"Lewis, perhaps more than any other 20th century writer, forced those who listened to him and read his works to come to terms with their own philosophical presuppositions." -- The Los Angeles Times
