

# Descargar libros gratis Poirot investiga - Agatha Christie QBook

Hastings, el fiel amigo de Hércules Poirot, relata una serie de casos felizmente resueltos por el famoso detective belga que, convencido de la infalibilidad de su método deductivo, es capaz de aprovechar cualquier incidente trivial, sin aparente relación con el caso investigado, para descubrir siempre la verdad. El secreto de su éxito reside, según confiesa con orgullo el propio Poirot, en la calidad de las células grises de su privilegiado cerebro.
