"Pro Tools | First 12 - How It Works" is not only the first manual available for Avid's "Pro Tools | First" application, it is the most comprehensive one and simply the best way to learn Pro Tools. Now it is the first Pro Tools manual available as interactive multi-touch eBook.

The book is not just a quick introduction, it covers all the features of Pro Tools | First in great details. Because Pro Tools | First contains about 80% of the features and functionality of the standard Pro Tools app, you can also use it to start learning the Standard or HD version of Pro Tools.

On 929 pages, the author explains the app in great detail with additional background information that is often required to fully understand specific features. Many of the information regarding the functionality of Pro Tools is found neither in the official documentation nor anywhere else.

"Pro Tools | First 12 - How It Works" is not only the first (and only) book for the free version of Pro Tools, it is also the first book for version 12 of Pro Tools.

Pro Tools is a very deep and sometimes complex application that users (beginners and pros alike) often struggle with. This is where the unique approach of the Graphically Enhanced Manuals series come in. No matter how complex or complicated the subject is, the author provides easy to understand graphics and diagrams that let the reader understand and master the material. This interactive multi-touch eBook also includes a 600+ term Glossary that is linked throughout the content of the book.

This is the 14th book in the bestselling series "Graphically Enhanced Manuals". Readers love this unique way of learning applications no matter how easy or complicated the app might be. Here are some responses from satisfied customers:

"I wish all the manuals on software were like yours!" - Giovanni C.

"You have the gift of making difficult concepts understandable" - William B.

"Your style is the most informative and clear I have ever seen" - Mark D.

"Great stuff Edgar! I bought your other Logic GEM books and love em..." - fform

"Thank you so much for your fantastic guides; I've learned so much!" - Brandon B.

"I love your manuals." - Eli.

UNDERSTAND, not just **LEARN**

That is the motto of the book series "Graphically Enhanced Manuals" (GEM). They're a new type of manual with a visual approach that helps you **UNDERSTAND** a program, not just **LEARN** it. No need to read through 500 pages of dry text explanations. Rich graphics and diagrams help you to get that "aha" effect and make it easy to comprehend difficult concepts. The Graphically Enhanced Manuals help you master a program much faster with a much deeper understanding of concepts, features and workflows in a very intuitive way that is easy to understand
