Protecting Her Heart is the second book in my sexy and fun sports romance series.

It was supposed to be the happiest time of my life.  
And it was, until my husband left me.  
On our honeymoon.  
For the wedding planner.

Now all I want to do is get over the humiliation with the one man I shouldn't.  
Except he's avoiding me at all costs.

But I'm not going to let Aiden McHugh get away. He might be the hottest quarterback in the NFL and my older brother's best friend, but he doesn't intimidate me. He promised to help me and I'm holding him to it... even if it means I have to convince him one seduction at a time.

Until the seduced becomes the seducer.

I no longer want to get over my ex; I just want Aiden.
