

Descargar libros gratis Reinicia - David Heinemeier Hansson QBook

La mayoría de los libros de empresa dan el mismo viejo consejo: escribe un plan de negocios, estudia a la competencia, busca inversores, etc. *Reinicia* muestra una forma más rápida y sencilla de triunfar en los negocios. La verdad es que se necesita menos de lo que se dice. No hace falta ni ser un *workaholic*, ni perder tiempo con papeleos, reuniones y miles de conversaciones intrascendentes. Ni siquiera hace falta tener una oficina. Lo que se necesita es dejar de hablar y ponerse a trabajar y este libro enseña a ser más productivo, evitar trabajar como un loco, a no endeudarse y muchos otros provocativos consejos contraintuitivos que inspirarán y modificarán la forma de pensar del lector.
