A mysterious incident occurs on a remote island... 10 years later, humanity has changed - but danger looms from the skies and an epic adventure is set to begin...

Not just another retelling of the Macross saga ... The story continues as we bring Carl Macek's original vision full circle. Taking into account every iteration of the series, this new Robotech #1 casts a fresh eye over classic characters like Rick Hunter, Lisa Hayes, Lynn Minmei, Roy Fokker, Claudia Grant, and Henry Gloval. Brian Wood and Marco Turini take us back to a Macross Island where \*nothing\* can be taken for granted.
