

Descargar libros gratis Rusia - Edward Rutherford QBook

Guerreros y eremitas, boyardos y siervos, héroes y heroínas románticos, ancianas damas ricas, buscadores de fortuna y exiliados... Los personajes de Rusia habitan en un mundo contradictorio de bosques, estepas, iconos y hachas, fe ortodoxa y persecución a los judíos, hermosas iglesias, palacios magníficos y pueblos miserables; de arte popular ruso y operas suntuosas, de Tolstói y Lenin, Chaikovsky y Rasputín.

Desde las tribus nómadas de las grandes planicies de Eurasia hasta hoy en día, a través de la vida de un pequeño pueblo al este de Moscú, Rutherford sigue las tribulaciones de cinco familias desde la invasión tártara hasta el reinado de Iván el Terrible y los salvajes cosacos, la dinastía de Pedro y Catalina hasta el drama de la Revolución y los posteriores sucesos contemporáneos componiendo el mosaico al que nos acostumbró con Londres, Nueva York o París a la vez que consigue, con su extensa documentación y su escritura trepidante y veloz, atraparnos en las redes de uno de los países más contradictorios y fascinantes del mundo.
