

# Descargar libros gratis Shipping Container Homes: Learn How to Find, Design, and Build an Incredible Shipping Container Home - Jack Rogers QBook

This guide tackles the modern and interesting topic of shipping container homes. If you have ever considered building your own home from scratch, then you will want to become familiar with the concept, as shipping container homes are rapidly becoming more feasible and widespread.

This eBook is aimed at the complete novice and will cover the most important aspects of learning how to build a shipping container home. In the first chapter, you will discover the advantages and drawbacks to a shipping container home. Moving onwards, the second chapter will discuss the characteristics of shipping containers themselves, helping you to make the right purchase. Next, the third chapter will delve into the planning process of building your own shipping container home whilst the fourth chapter walks you through the actual construction process.

Finally the fifth and final chapter will weigh the advantages of using a contractor and prefabricated shipping homes against doing all the hard work by your own. If you have an adventurous and architectural spark, than you will most certainly want to read this book!
