

Descargar libros gratis Simplicidad - Edward de Bono QBook

Todos nos sentimos abrumados por la complejidad de las cosas que nos rodean. Casi nadie emplea más de la décima parte de las prestaciones de su móvil. No obstante, aunque todos ansiamos una mayor simplicidad, resulta extraordinariamente difícil conseguir que nuestras vidas sean más sencillas. En este libro, Edward De Bono, con su característica claridad, demuestra que es posible hacerlo. Muchas de las complicaciones que sufrimos en nuestra vida cotidiana desaparecerían al preguntarnos si la razón original de algo todavía resulta pertinente. Porque la simplicidad sólo es peligrosa cuando aún no sabemos muy bien de qué estamos hablando. Cuando todo está claro, resulta ser una herramienta inmensamente poderosa.
