**Buffy meets Jane Austen in the first book of this wickedly funny NYT bestselling series about a young woman whose brush with the supernatural leads to a deadly investigation of London's high society.**

Alexia Tarabotti is laboring under a great many social tribulations. First, she has no soul. Second, she's a spinster whose father is both Italian and dead. Third, she was rudely attacked by a vampire, breaking all standards of social etiquette.

Where to go from there? From bad to worse apparently, for Alexia accidentally kills the vampire -- and then the appalling Lord Maccon (loud, messy, gorgeous, and werewolf) is sent by Queen to investigate.

With unexpected vampires appearing and expected vampires disappearing, everyone seems to believe Alexia responsible. Can she figure out what is actually happening to 's high society? Will her soulless ability to negate supernatural

powers prove useful or just plain embarrassing? Finally, who is the real enemy, and do they have treacle tart?

SOULLESS is the first book of the Parasol Protectorate series: a comedy of manners set in Victorian London, full of werewolves, vampires, dirigibles, and tea-drinking.

## **The Parasol Protectorate**

*Soulless*

*Changeless*
