Days blend together until he can't help but long for death. Saved from his isolated hell by a female's distress call, he feels an instant connection to her. Kimberly thought she was taking a trip to South America to study indigenous plant life. She had no idea she was playing into the hands of a mad man whose goal was to create a genetically altered army of super soldiers. When she finds herself locked in a cell with Wilson, a man who would give his life to save hers, there is an instant attraction. But the dark secrets surrounding their imprisonment may change their lives forever. Can they find a way to beat the odds and be together or will the mad man win?
