Summary of I Will Teach You To Be Rich by Ramit Sethi | Includes Analysis

Preview:

I Will Teach You to Be Rich is a do-it-yourself guide to building wealth over the course of one's lifetime with no quick fixes or special tricks. This 2009 *New York Times* bestseller provides helpful and sensible advice—particularly aimed at millennials—to help anyone get out of debt, build their credit, and grow their net worth to reach whatever goals they have in mind for themselves and their future.

Structured as a six-week plan, *I Will Teach You to Be Rich* offers no get-rich-quick schemes or stock tips. Instead, the book focuses on long-term, personal finance strategies that build wealth over the course of decades, making the twenty-something reader a perfect target audience. The plan also urges its adherents to forego the small changes, like nixing the daily Starbucks latte, to set their sights on far bigger goals that they can achieve over the long term...

PLEASE NOTE: This is key takeaways and analysis of the book and NOT the original book.
