Learn to play the piano and open up a brand new world of musical knowledge with this exciting three-volume eBook method from Alfred Music, the world leader in educational music publishing since 1922. Beginners of all ages can start their journey to a lifetime of playing piano.

Volume 3 of *Alfred's Teach Yourself To Play Piano* begins with half steps, whole steps, tetrachords, and the major scale and moves on to chord theory, grace notes, triplets, the blues song form, and more! Learn to play in an array of musical styles, including pop, blues, classical, folk, hymns, spirituals, and ragtime—all while increasing your musical understanding and ability to read standard music notation. In addition, more finger “aerobics” are provided, to improve your playing skills and make the pieces in the book easier to play.

Audio examples and video lessons are integrated throughout the book so you can see and hear an experienced piano teacher guiding you through every step. Video lessons clearly show the left and right hands, and onscreen music notation is highlighted as the music plays so you can easily follow along. If you've wanted to learn how to play the piano but didn't know where to start, *Alfred's Teach Yourself To Play Piano* is the perfect course for you!
