As recently seen on ABC's Nightline, channeler Paul Selig presents the second work in his acclaimed Mastery Trilogy. *The Book of Truth* casts your relationships--and what they reveal about you--in a dramatic and radical new light.

The channeled literature of Paul Selig--who receives clairaudient dictation from unseen intellects called the Guides--has quickly become the most important and celebrated expression of channeling since *A Course In Miracles* rose to prominence in the 1970s.

Selig's previous trilogy of channeled wisdom--*I Am the Word*, *The Book of Love and Creation*, and *The Book of Knowing and Worth*--won a large following around the world for its depth, intimacy, and psychological insight. The first book of his new Mastery Trilogy, *The Book of Mastery*, likewise attained popularity and praise. Now, Selig continues the "Teachings of

Mastery" with the widely anticipated second volume in his new series: *The Book of Truth*.
