**The Wheel of Time ® is a PBS Great American Read Selection! Now in development for TV!**

**Since its debut in 1990, The Wheel of Time® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters.**

The Wheel of Time turns and Ages come and go, leaving memories that become legend. Legend fades to myth, and even myth is long forgotten when the Age that gave it birth returns again. In the Third Age, an Age of Prophecy, the World and Time themselves hang in the balance. What was, what will be, and what is, may yet fall under the Shadow.

When The Two Rivers is attacked by Trollocs—a savage tribe of half-men, half-beasts— five villagers flee that night into a world they barely imagined, with new dangers waiting in the shadows and in the light.

**TV series update:** "Sony will produce along with Red Eagle Entertainment and Radar Pictures. Rafe Judkins is attached to write and executive produce. Judkins previously worked on shows such as ABC's "Agents of SHIELD," the Netflix series "Hemlock Grove," and the NBC series "Chuck." Red Eagle partners Rick Selvage and Larry Mondragon will executive produce along with Radar's Ted Field and Mike Weber. Darren Lemke will also executive produce, with Jordan's widow Harriet McDougal serving as consulting producer." —*Variety*
