Geralt the Witcher-revered and hated-holds the line against the monsters plaguing humanity in this first book in the NYT bestselling series that inspired the blockbuster Witcher videogames. Soon to be a major Netflix series.

Geralt is a witcher.

Yet he is no ordinary killer-for-hire.

His sole purpose: to destroy the monsters that plague the world.

But not everything monstrous-looking is evil and not everything fair is good. . . and in every fairy tale there is a grain of truth.
