That rare thing: a sequel which rivals the original. The No. 1 Bestselling *The Nowhere Man* is a thrilling, pulse-pounding ride for readers and the hero of *Orphan X*...

'An even more intense and harrowing thriller. The pace that never lets up' *Daily Mail*

He was once called Orphan X.

As a boy, Evan Smoak was taken from a children's home, raised and trained as part of a secret government initiative buried so deep that virtually no one knows it exists. But he broke with the programme, choosing instead to vanish off grid and use his formidable skill set to help those unable to protect themselves.

One day, though, Evan's luck ran out . . .

Ambushed, drugged, and spirited away, Evan wakes up in a locked room with no idea where he is or who has captured him. As he tries to piece together what's happened, testing his gilded prison and its highly trained guards for weaknesses, he receives a desperate call for help.

With time running out, he will need to out-think, out-manoeuvre, and out-fight an opponent the likes of whom he's never encountered to have any chance of escape. He's got to save himself to protect those whose lives depend on him. Or die trying . . .

The Nowhere Man delivers another masterclass in hi-octane thriller writing.

It doesn't get better than this . . .
