The #1 *New York Times* bestselling epic fantasy series by Brandon Sanderson!

The Stormlight Archive is the wildly imaginative epic fantasy from *New York Times* bestselling author Brandon Sanderson: welcome to the remarkable world of Roshar, a world of stone and storms. Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilization alike. Roshar is shared by humans and the enigmatic, humanoid Parshendi, with whom they are at war.

It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them, but in the war against the Parshendi, the ancient weapons and armor may not be enough.

Speak again the ancient oaths:

Life before death.

Strength before weakness.

Journey before Destination.

and return to men the Shards they once bore.

The Knights Radiant must stand again.
