The story revolves around its two central characters: Othello, a Moorish general in the Venetian army and his unfaithful ensign, Iago. Given its varied and enduring themes of racism, love, jealousy, betrayal, revenge and repentance, Othello is still often performed in professional and community theatre alike, and has been the source for numerous operatic, film, and literary adaptations...El personaje principal, Otelo, se presenta piadosamente, a pesar de su raza. Esto era poco habitual en la literatura inglesa en tiempos de Shakespeare, la cual presentaba como villanos a los moros y otros pueblos de piel oscura. En esta obra Shakespeare evita cualquier discusión respecto del islam. Otelo se ha destacado por su gran profundización en la retórica y la tragedia.
