

# Descargar libros gratis The Walking Dead - Vol. 02 - Robert Kirkman QBook

La exitosa serie creada por Robert Kirkman (y que se catapultó a la fama indiscutida cuando se adaptó a la TV en 2010) vuelve con "Dejando todo atrás". En este nuevo arco argumental, los sobrevivientes de este mundo apocalíptico deben enfrentar a un frío invierno, mientras aprenden que hay cosas más peligrosas que los caminantes muertos: los mismos seres humanos. Luego del sorprendente final del Volumen anterior, el grupo de sobrevivientes se dirige a las congeladas rutas, a bordo de la mini-van de Dale. En el camino se cruzan con nuevos personajes, que se suman a sus filas. Mientras tanto, Lori tiene un secreto que compartir con Rick...

Un barrio cerrado parece ser el milagro que estaban esperando. Casas vacías, comida en las alacenas. La idea de no dormir más en la mini-van, sino en una cama, no les deja ver que algo siniestro se esconde en este pueblo...
