My whole life changed in the blink of an eye.

I was supposed to start college on the Harkness Women's Hockey team. But I'm showing up in a wheelchair instead.

Everything about my new life is difficult, and there's only one person who understands. Across the hall, in the other handicapped-accessible dorm room, lives the too-delicious-to-be real Adam Hartley. His leg is broken in two places.

We bond over broken elevators and hockey games. We're just friends, of course, until one night when things fall apart. Or fall together. All I know is that I'm falling. Hard.

But can Hartley love someone as broken as me? His deep brown eyes hold their own demons. While my troubles are visible for everyone to see, his are hidden deep inside...

If you love charming, hockey player heroes and friends-to-lovers match-ups, download The Year We Fell Down today!
