**Could you give up the love of your life to save the child who depends on you?**

I used to be like the other Harkness Hockey players, worrying only about the next game or the next party. But that all changed the day I became my little sister's protector. Only by keeping Lucy hidden and acing my course load will I survive the year.

But then I meet Scarlet, who sees me as more than just a star athlete or a party boy. I fall hard for her. But darkness follows Scarlet, too. When her past comes to light, so does a horrible truth: I can't save everyone. But I'll never stop trying.
