

Descargar libros gratis Throne of Eldraine: The Wildered Quest - Kate Elliott & Magic: The Gathering QBook

In the exciting new story of *Magic's* latest release, *Throne of Eldraine*, the young warrior-mage twins Rowan and Will Kenrith quest for their missing father, High King Kenrith. Venturing far from the safety of the Realm, their search takes them deep into the Wilds—a hostile land of faeries, monsters, and untamed magic. A chance encounter with the wily and inscrutable shapeshifter Oko seems somehow connected, but memory of the Fey trickster flits away with a wink. Beleaguered by unclear recollections and pursued relentlessly by Garruk, a cursed hunter stalking Planeswalkers across the Multiverse, can the royal scions unravel the mystery of their father's disappearance and restore him to his rightful throne before his absence shatters the peace of their home?
