Filled with trail-tested advice, *Travel the World Without Worries* is the must-have planning resource for low-budget world travel.

Whether you are dreaming of epic jungle treks, wild tuk-tuk rides, authentic food markets, or maybe just finding that perfect undiscovered beach—you can start turning your travel dreams into a reality today.

But planning a big trip abroad can be overwhelming, and your head may already be spinning from everything involved. This book is designed to smoothly guide you through your planning stages and fully prepare you for what's ahead.

Whether you are going away for 6 weeks, 4 months or 2 years, with *Travel the World Without Worries* you will be able to skip some of the hard lessons of backpacking and fully enjoy your trip from the get-go.

Topics covered include:

- Financing your trip
- Itinerary planning & improvisation
- Packing techniques (and what to leave at home)
- Safety and personal health
- Managing money on the road
- Making more friends on the trail
- Dealing with cultural and language barriers
- Handling travel adversities
- And much, much more..

Are you ready to travel the world?

The author, Marek Bron, has travelled for over 700 days and counting (primarily in Asia and Latin America). He blogs about low-budget travel at IndieTraveller.co and has been a contributor at GoBackpacking.com.

Reviews from Reddit.com launch event

"I have to tell you, I plowed through it in one sitting. Your book destroyed my Saturday. I'm planning my first six-week trip to South-East Asia in the coming summer, and it was excellent to see what you had to say about travelling and backpacking. I enjoyed the book more than I thought I would. Excellent work, very insightful." - Rob from the US

"Thank you! Looking into backpacking and you have just helped save me some \$ for the trip :)" -

"I went on 1 month SEA trip before but learned some new things. I like how much time you devote to trip planning. Most people don't realize how much you can decide during your trip." - David from UK

"This is awesome and so helpful. Just wanted to say how much I and others appreciate this. Thank you!" - Redditor hassonater
