La diamantista Micaela descubre el esplendor del Nuevo Mundo.

Año 1541. La diamantista Micaela Vallesteros y el capitán Iñigo de Vidaurre buscan la libertad en la Nueva España.

Él anhela un ancho horizonte, nuevas tierras que descubrir. Ella se siente atraída por antiguas culturas, crisol de leyendas, que encierran sabiduría y misterio.

Ambos encontrarán, asombrados, un mundo restallante de color y de vida, en el que la variedad de sus gentes, los inmensos paisajes y una naturaleza exuberante en sabores y perfumes embriagan los sentidos.

En esa tierra inmensa no faltarán las ambiciones encontradas y el deseo de poder de extraordinarios personajes, que buscan allí una vida de gloria y honores que, irremediabilmente, conducirá a intrigas y traiciones.
