

Descargar libros gratis Un Mundo Feliz - Aldous Huxley QBook

Escrita en 1932, la novela anticipa el desarrollo en tecnología reproductiva, cultivos humanos e hipnopedía que, combinadas, cambian radicalmente la sociedad. El mundo aquí descrito podría ser una utopía, aunque irónica y ambigua: la humanidad es desenfadada, saludable y avanzada tecnológicamente. La guerra y la pobreza han sido erradicadas, y todos son permanentemente felices. Sin embargo, la ironía es que todas estas cosas se han alcanzado tras eliminar muchas otras: la familia, la diversidad cultural, el arte, la ciencia, la literatura, la religión y la filosofía.
