Can your favorite hockey players finish their first season together undefeated?

Five months in, NHL forward Ryan Wesley is having a record-breaking rookie season. He's living his dream of playing pro hockey and coming home every night to the man he loves—Jamie Canning, his longtime best friend turned boyfriend. There's just one problem: the most important relationship of his life is one he needs to keep hidden, or else face a media storm that will eclipse his success on the ice.

Jamie loves Wes. He really, truly does. But hiding sucks. It's not the life Jamie envisioned for himself, and the strain of keeping their secret is taking its toll. It doesn't help that his new job isn't going as smoothly as he'd hoped, but he knows he can power through it as long as he has Wes. At least apartment 10B is their retreat, where they can always be themselves.

Or can they? When Wes's nosiest teammate moves in upstairs, the threads of their carefully woven lie begin to unravel. With the outside world determined to take its best shot at them, can Wes and Jamie develop major-league relationship skills on the fly?

Warning: contains sexual situations, a vibrating chair, long-distance sexytimes and proof that hockey players look hot in any shade of green.
