Gripping, authentic novel set in Roman Britain from bestselling historian, Adrian Goldsworthy.

AD 98: VINDOLANDA.
A FORT ON THE EDGE OF THE ROMAN WORLD.

The **bustling army base at Vindolanda** lies on the northern frontier of Britannia and the entire Roman world. In just over twenty years time, the Emperor Hadrian will build his famous wall. But for now **defences are weak** as tribes rebel against Rome, and local druids preach the fiery destruction of the invaders.

It falls to **Flavius Ferox, Briton and Roman centurion**, to keep the peace. But it will take more than just a soldier's courage to survive life in Roman Britain.

This is a hugely authentic historical novel, written by one of Britain's leading historians.

'A thrilling and engrossing novel' HARRY SIDEBOTTOM.
